CMD
2012

Introduction

Welcome to the Diocese of St Albans CMD (Continuing Ministerial Development) Programme for 2012.

This booklet contains details of diocesan workshops and events aimed at all those who are in licensed and ordained ministry, clergy and Readers. It also includes links to other bodies, which offer training events. We hope that you will find something enjoyable and helpful in your ministry.

Most of the events advertised here are limited only by the size of the building; places will be allocated on a first-come, first-served basis. Feel free to sign up as early as you like. We will inform those who are unsuccessful and put them on a reserve list. If you find you are unable to attend an event, please let us know as soon as possible so that your place can be allocated to someone else. We will send out final programmes and venue details for each event, usually by email, about a month beforehand.

Booking information is given with the details for each event. For some, please use the booking form accompanying this booklet; for others, wait for further information and individual booking forms, or book directly with the appropriate study centre. Some events are limited by numbers so you may wish to make your booking as soon as you get this programme. But please remember you are welcome to book into a course at any stage through the year.

Out of courtesy to our speakers and to help us make appropriate arrangements for each event, please contact us immediately should you find you have to cancel a booking.

It is occasionally possible that the time or venue for a particular event may have to change. We will keep you informed of any changes, but if you want to confirm arrangements for an event please do get in touch.

Learning for Discipleship (LfD) events are open to all clergy, Readers and those in lay ministry roles.
