A fresh expression is a form of church for our changing culture established primarily for the benefit of people who are not yet members of any church

"More and more Christian people are being led by God to plant, sustain and lead fresh expressions of church."

2007/08 Methodist President, Martyn Atkins

"There's no one kind of church life that captures everything or does every kind of job. There are new kinds of work with teenagers, and new kinds of work with pensioners and others. There's already a huge amount going on and our job is to join in, and give it the nourishment it needs so that it will grow in the right way."

Archbishop Rowan Williams
