Godly Play

Children's Work 'Godly Play' Resources

*Available for you to borrow from
Diocesan Resources Centre,
St Albans Diocese*

Godly Play is a non-coercive way to encourage children to move into larger dimensions of belief and faith, through wondering questions and open-ended response time.

It is a way of preparing children to join in the worship and life of their congregations as they develop a deeper understanding of stories, symbols and rites.

Godly Play

Godly Play is:

- is a creative and imaginative approach to Christian nurture
- is based on long established, tried and tested approaches
- uses symbols and objects as well as words
- values process, openness and discovery
- encourages people to make meaning for themselves.

A Godly Play session includes a time to:

- get ready
- tell a story using objects and artefacts
- explore the story more with open questions and discussion
- respond with a free choice using a variety of materials - art... silence... play...writing...
- enjoy a simple feast and sharing.
