MILEAGE RATES 2011/12
(applicable from 6th April 2011)

In line with the recommendations of the Archbishops' Council, the authorised mileage rates for cars have been updated to reflect the increase in the higher rate approved by HM Revenue and Customs.

Cars	
On the first 10,000 miles in the tax year	45p per mile
On each additional mile over 10,000 miles	25p per mile
Additional amount for each colleague that travels with you in your car on a work related journey	5p per mile
Committee Rate	30p per mile
Motor Cycles	24p per mile
Bicycles	20p per mile

These figures represent the maximum amount which can be paid for work-related mileage in your own vehicle without any tax being incurred.
