THE CHRISTINE CANTI FUND

The Christine Canti Project Fund is a charitable fund administered by the Board for Church and Society. The Christine Canti Project Fund was established with a donation from a past Chair of the Board for Social Responsibility, and its purpose is **“to assist in the general work of the St Albans Board for Social Responsibility”**. - For the education or personal development of the Board or the approved individual in an area that is directly related to the work of the Board; grants may cover course or seminar fees and travel and other approved out-of-pocket expenses,
- Grants should normally be no greater than £300 each and as a guideline, major grants should not exceed the greater of £500 and 10% of the moneys in the Fund at the previous year-end,
- Grants should generally be one-off and multi-year commitments should be exceptional.

Applications, on the form below, may be submitted at any time and the Trustees will consider them as quickly as possible.
