

Collective Worship for Governors

Audience: Governors

Cost: £30 (£15 for SLA members)

Facilitator: Lizzie Jeanes (School Effectiveness Lead)

You're a governor. Perhaps you go to church. You have now been asked to visit and make comments on collective worship...! This course is designed to support you in considering what 'good' collective worship looks like and what sort of things you could be looking for. No need to be a teacher or a priest (but they are welcome as well!)
