

Curriculum for Governors

Audience: Governors

Cost: £30 (£15 for SLA members)

Facilitator: Lizzie Jeanes (School Effectiveness Lead)

Composites, components, sequences, core knowledge... The list of things involved in curriculum can seem endless, and as a governor it can be daunting to ask “what exactly are you talking about?”. This course is designed to unpack some of the language and key ideas surrounding the development of curriculum in school. By the end of this session you should have a clearer understanding of curriculum.
