LIVING
IN LOVE
& FAITH

The Diocese of St Albans 2021 - The Process

What is the Living in Love and Faith course for?

A local experience feeding into a national Anglican exploration

Why is it important?

Because it is about:

human beings

human feelings

human ways of relating

When will it happen and how?

Phase 1 – 20 initial groups

Phase 2 – Further groups in a local context

plus

other groups, that may run in other ways

Summer 2021 to November and beyond

Why should I take part?

Sharing your views and experiences
Hearing the views and experiences of others

leading to a deeper understanding of

God, and what it means to be human

What will it involve?

Won't it be difficult, or potentially dangerous, for me to be really open and honest?

What are the Pastoral Principles?

acknowledge PREJUDICE
speak into SILENCE
address IGNORANCE
cast out FEAR
admit HYPOCRISY
pay attention to POWER

How will we make these safe spaces?

Do we have to have a facilitator?

What if something goes wrong?

How can we get involved?

Online or in person

With participants who may be familiar to you or new

In the Deanery or with other parts of the Diocese

Do we have to do it?

What is the outcome?

How can we share our experiences?
