

DISCUSSION AND REFLECTION

THEME 4: WORSHIP

Watch the VLOG: Worshipping

Thoughts:

The word 'worship' comes from an Anglo-Saxon word 'worthshippe'. It means the things we give the most worth to.

For many people, worship is showing worth to God.

- Where do you think this worship can take place?
- Is it just in places of worship, such as a church, or can it happen outside or at home?
- How could actions at home, during play and rest, how we treat others etc. also be seen as showing worth to God?

Reflection:

- I wonder what we show the most worth to in our lives?
- How do we show that these things truly matter? Can we show it this week?
