RESERVATION OF A PLOT IN A GARDEN OF REMEMBRANCE

Notes to Intending Petitioners

1. Thank you for your recent enquiry about reservation of a plot in a Garden of Remembrance. Please read these notes carefully before you decide to proceed, and then complete the Petition form on the pages following. Please keep these notes after lodging the Petition.

Right to Interment – Plot Reservation

2. You have a right to be interred in a Parish Garden of Remembrance if, at the time of your death you live in that Parish, or are on its Church Electoral Roll, or if you have died in the Parish (always provided that there is a Garden of Remembrance with sufficient space). The only way to reserve a particular plot for a person’s interment is to obtain a Faculty for that purpose. Faculties are granted in the discretion of the Consistory Court, and good cause must be shown. If you are acting on behalf of a minor, a person who is registered blind or disabled and for whom you hold a Power of Attorney, please indicate so clearly.

Seeking a Faculty

3. If you wish to reserve a plot, you should first contact the Incumbent or Priest-in-Charge responsible for the Garden of Remembrance in question and through him/her seek the support of the Parochial Church Council. Then complete Part A of the Petition Form and after that take the form to the Incumbent or a Churchwarden, who is in a position to complete Part B of the form. When fully completed, send the form to the Diocesan Registry, accompanied by a certified copy of any PCC resolution in support. A fee will be payable (currently £302); and you will be asked for this your Petition has been lodged.

Marking and Recording a Reserved Plot

4. If a Faculty is granted, it will require the reserved plot to be marked in such a way that it can be located when required. Responsibility for marking will lie with you as Petitioner, after you have agreed the method of marking with the Incumbent. You will be required to mark the space within three months of the granting of any faculty, and thereafter to ensure that the marker remains adequate for its purpose. Looking after the marker will not be the responsibility of the Incumbent, Churchwardens or PCC.

5. The normal method of marking is to place a durable wooden (or metal) stake on the plot, marked with the initials of the person to be buried, followed by the year of reservation in brackets; e.g. ‘A.B.C. (01)’. If some other method of marking was in use in the churchyard in question previously, that method may be used provided it constitutes a permanent record and gives the same details. Other methods may only be used if approved by the Chancellor.

6. Markers should not be placed before a Faculty is granted. Such markers have no legal effect and may be removed during routine churchyard maintenance.
7. The Registry will write to the Parish Officers in due course about the making of an appropriate record on the Garden of Remembrance Plan.

**Churchyard Maintenance**

8. The Parochial Church Council is responsible, so far as its funds allow, for the care and maintenance of a Garden of Remembrance. In this Diocese it is a customary condition of a plot reservation that the person(s) for whose benefit the plot is reserved should make a contribution to PCC funds for this purpose. A receipt by the appropriate Parish Office must be endorsed on the back of the Faculty to bring it into full effect. The level of contribution is settled by the Chancellor in each case, but £150 for one person and £225 for a married couple are the current standard figures. (This is quite distinct from the Registry fee mentioned at 3 above, which is laid down by law and covers the costs of the Faculty procedure).

**Monuments**

9. Reservation of a gravespace does not authorise the placing of any monument on the plot after interment. Application must be made, when the time comes, to the Incumbent then in charge of the Garden of Remembrance.
