

Governor succession planning: finding your next Chair

Audience: Governors

Cost: £50 (£25 for SLA members)

Facilitator: Belinda Copson (Governance Officer)

How will you plan to identify your next Chair of Governors? What resources are available to help with this? How does finding your next Chair relate to overall governor recruitment and development?

Explore these questions and more, in the context of a church school, and take away ideas and strategies for next steps.

This workshop style in-person session is suitable for all governors, and particularly those from governing boards needing to identify a new Chair within the next 12 months.
