Reconnect Days aim to create space for headteachers and senior leaders to reconnect with their core vision of leading a church school.

The day will be semi-structured, with two sessions and lunch. Each session will commence with a short 15-minute reflection, with the remaining time to be used flexibly. Participants may wish to:

- Explore aspects of vision and ethos with colleagues or a Schools Team member.
- Attend with a colleague headteacher as part of a mentoring programme.
- Spend time in personal reflection, prayer.
- Read, plan, have the space to think.
