

Welcome to SeeRound Online

The Diocese of St Albans in Bedfordshire, Hertfordshire, Luton & Barnet

Welcome!

Welcome to SeeRound Online. We hope you will really enjoy reading it, following links contained within the online edition to wider content and will pass it on to your friends so they can enjoy it too.

PLEASE NOTE:

SeeRound Online will appear **once** a month, during the final week of each month and will also include a link to the E-Bundle, which has PDF files that can be downloaded for printing or send links by email to others who might be interested or send as attachments.

Printing

You can print SeeRound as a series of A4 sheets using the link on the home page to a pdf of the whole issue or as a neat A5 booklet. Parishes will find this useful for making printed copies available.

Individual articles can also be printed from the link to the pdf on each page. **We do not recommend using the print button at the foot of each web page**, as links are not available as text by this means.

Deadlines

Please send in your event listings and ideas for stories and articles and remember that our deadline is: **15th of the month.**

So if, for example, you want something to appear in the **November** edition (published at the end of October), then please ensure it reaches us by post or email by **15th October**. The email address for all SeeRound related matters is still:

comms@stalbans.anglican.org
please use the subject line 'SeeRound'

Spread the Word!

We want to get as many people reading SeeRound Online as possible so let's get more people signed up to receive the email alert. However we know that people do not all have access to the internet, so....

... if you have a noticeboard in your church or hall please print off a full copy of SeeRound and the Events and On The Move pages and pin them up for all to see!

You might consider setting up a buddy system where someone with a printer prints a couple of copies and passes them on to others who don't have a computer.
