

Dear Friends

The Flourishing Churches team in the Diocese of St Albans have devised a prayer sheet to be used instead of an act of public worship downloadable from the link on the 'Living God's Love at all times' page.

It is an offering for you in the hope that it may relieve some immediate stress and time. Please cut and paste at will; you know your flock better than us and can adapt to suit your context. Equally you can use it all!

It can be used in two different ways:

1. To be left in church for those who may drop in – they should take it home with them
2. It can be emailed to people for them to use at home. You may want to suggest that you all pray at the same time to help a feeling of community and connectivity or you could do it together online via Skype or Zoom.

We will produce further prayer sheets each week based on the Sunday lectionary readings for as long as this situation continues.

If there are other things that you think we could help with please do let us know.

With our prayers

The Flourishing Churches Team – Kate, Harry and Paul
