

## DBE Training and Development Opportunities 2022/23

Further information on each course can be found on our website at: [www.stalbans.anglican.org/schools/training-and-development](http://www.stalbans.anglican.org/schools/training-and-development)

To book a space on any of the training, please email [schoolstd@stalbans.anglican.org](mailto:schoolstd@stalbans.anglican.org) unless otherwise stated in the overview.

### Director's Welcome:

*Training and development is at the heart of the offer the Board of Education makes to its 138 schools. In supporting excellence in church schooling we, as the Schools Team, seek to provide you with the resources and opportunities to enable your school, staff, pupils and governors to flourish. This may take the form of providing time and space for you to stop, reflect, think, work alongside others in professional networks or to receive input from outstanding practitioners and educational experts. It is a privilege to commend to you the 2022-23 training and development programme. It is a comprehensive offer, which has at its core the commitment to support and work with you and your colleagues to address any issues you may face. I hope that it will contribute to the flourishing of your school and of you personally.*

(David Morton, Director of Education)

- **Further training and events will be added to the offer later in the year.**
- To enquire about availability, please contact [schoolstd@stalbans.anglican.org](mailto:schoolstd@stalbans.anglican.org). You will need to state the title and date of the course or event and provide an email address for the attendee. You will be advised by e-mail that a place has been reserved, and an invoice sent subsequently, where appropriate.
- Further information, including any relevant virtual meeting links, will be sent nearer the date.
- Where a delegate is unable to attend, 12 hours' notice of cancellation must be given to allow a refund to be made for Zoom events, and 24 hours' notice for in-person events.
- We reserve the right to cancel events where low numbers would compromise the quality of the session.

## Year-round 2022/23
